## NEW ACCOUNT NUMBERS ESTABLISHED

No - we didn't dream up these new numbers just to confuse you. Besides we are all equally confused about them. Unfortunately, they had to be changed in order to implement the new Financial Reporting System. We are preparing a description of the system, guidelines on which accounts to use, and procedures on how to input the system - but first the 1983-84 fiscal year has to be closed off. In the meantime if you have any questions please phone Linda, ext. 500 or Herb, ext. 230.

Our apologies for complicating your lives right now. With your patience and cooperation, things will soon be back to normal.
