## SENATE DECISIONS

At its regular meeting held Tuesday, November 6, 1984, the University's Senate made the following decisions:

1. Approved the granting of a certificate to a student who had met all the requirements of the Certificate Programme in Remote Sensing.
2. Approved the change of name of the Certificate Programme in Lay Theology to the Certificate Programme in Theology for Lay Persons; as well, the format for the standard Continuing Education and Community Services certificate was revised for this programme.
3. Approved the recommendations of the Student Awards Committee for the 1984-85 winners of General Proficiency scholarships, Entrance scholarships, and other awards in Arts, Science and Education additional to those reported in October; as well, awards in the Faculty of Theology.
4. Approved the acceptance of new Arts, Science and Education awards along with the terms proposed.
5. Accepted the recommendation of its Executive Committee that the maximum number of credits to be granted to students admitted on transfer from the Winnipeg Bible College remain at five.
