SENATE DIGEST - November 14, 1984

Arts, Science and Education Awards -

1. Two scholarships of \$1,000 each have been established in appreciation of Dr. R.O.A. Hunter's years of distinguished service as Chancellor of the University. They are to be awarded to students majoring in Administrative Studies, one to a student entering the final year of undergraduate study and the other to a student entering the next to final year.

2. The offer of three \$500 awards by the Manitoba Blue Cross was accepted. All three awards are bursaries: one to assist an entering student who must incur additional expenses to attend university due to a physical or other handicap, another to an entering student from rural Manitoba who shows financial need and who must travel more than 100 kilometres to attend university, and the third to an entering student with high overall academic standing in Grade XII. All three awards are available only for students entering full time studies.

3. The offer of a \$200 scholarship in Education by the University Women's Club of Winnipeg was accepted. This scholarship will be awarded on the recommendation of the Director of the B.Ed. programme to a student entering a third or fourth year who is deemed to best combine qualities of leadership and academic excellence.

4. The offer of a \$200 scholarship by the Winnipeg Life Underwriters Association was accepted. This scholarship is to be awarded to the student in the major programme in Statistics who is entering the final year of undergraduate studies with the best overall academic record.

Transfers from the Winnipeg Bible College -

The College had expressed to the President its interest in having the University consider granting an increased number of credits to students transferring from the College to the University. Senate upheld the current policy by its approval of the following motion: That, in accordance with the University of Winnipeg's general policy of granting transfer credit to institutions which do not hold membership in the Association of Universities and Colleges of Canada, the maximum number of credits which will be granted to students who are admitted on transfer from Winnipeg Bible College remain at five.

Reports -

Amongst the reports that were received and are available for scrutiny, having been circulated with the Agenda, are those of the Experimental

Ethics Committee, the Education Selection and Review Committee and the Committee on Continuing Education and Community Service. In addition, information was provided about further minor revisions to be incorporated into the proposed University of Winnipeg Act, about October 1984 graduation statistics and about October 1984 graduates whose names did not appear in the Convocation programme.

Certificate Programmes -

Approval was given to change the name of the Certificate Programme in Lay Theology to the Certificate Programme in Theology for Lay Persons. A modification in the certificate itself was also approved.

At a recent meeting, the General Faculty Council decided on a restructuring which involves a name change to The University of Winnipeg Faculty and Staff Forum, and an extension of membership to include all full-time employees of the University. The purpose of the new committee will be to provide a forum for the discussion of issues of concern to all staff. The Forum will also provide a mechanism for expanding and maintaining a number of university-wide activities intended to create a sense of community and to emphasize common interests and purposes. The seven standing committees (Executive, W.U.S.C., Music and Art, Collections, Social and Recreational, Religion and Life, and Common Areas) will include at least one faculty member and at least one support staff member. Dr. Farquhar will chair the Committee, the Secretary will be Mr. Richard Bellhouse.

The 1984 U of W United Way Campaign has not met our goal. For the convenience of those who have not yet made pledges the payroll deduction option has been extended to January 15, 1985.
