

International Volleyball Returns to Athletic Centre

International volleyball action returns to the Athletic Centre next month with The University of Winnipeg Wesmen women's team taking on a squad from the Japan Women's College of Physical Education. The teams will square off at the University's Athletic Centre on Fri., Nov. 2 at 7:30 p.m. A re-match is scheduled in Steinbach on Sat., Nov. 3.

This is not the first time that The University of Winnipeg Wesmen have

challenged a Japanese volleyball team. The Wesmen defeated the Tsukuba University women's team in 1987 and repeated the feat in 1988 against a powerful squad from Aoyama Gakuin.

The Japan Women's College of Physical Education has earned the reputation of having one of Japan's best volleyball teams. They have enjoyed 10 top-three finishes in the all-Japan championships.

According to Wesmen Head Coach

Doug Reimer, the outstanding technical skills and quick attack of the Japanese team will ensure an entertaining game. "Not only will the match provide volleyball fans with tremendous excitement, it will also give our squad exposure to a high calibre team from one of the strongest volleyball countries in the world," he said. "We face a significant challenge adapting to their fast style of play."

Alumni Reunion

The University of Winnipeg Alumni Association is hosting Homecoming 1990, Oct. 26 — 28. The weekend itinerary of events promises to be fun-filled and entertaining. The Alumni Association would like to extend a special invitation to all faculty, staff and friends to join them in making this special occasion a success. The kickoff for Homecoming 1990 will be a reception and dinner at the Downtown Winnipeg Holiday Inn on Friday. Meet the newly appointed Chairman of the Board of Regents, Harvey Selter, and reminisce with Bill Norrie '50, Russell Anthony '65 and master of ceremonies George VandenBosch '70.

Finjan will provide the entertainment for the evening with their own style of dance music, folk songs and swing. For seven years now, Finjan has been introducing audiences to the beauty and excitement of Kelezmer music. They have made hundreds of appearances across Canada, including folk and jazz festivals, feature concerts, and a two week-engagement at Expo '86. To add to their credits, they are frequently recorded for CBC and were featured in

the movie "The Outside Chance of Maximilian Glick." They have recorded two albums. We are proud that three members of the group are University of Winnipeg alumni.

On Saturday, put on your school colours and come out and cheer for the Wesmen at the 5th Annual New York Life Invitational Basketball Tournament. Carl Ridd won't be shooting baskets but he will be there. Perhaps he will provide a running commentary. The bronze medal match of the tournament is set for Saturday at 6:15 p.m., with the championship game to follow. The invited teams are the Lakehead Nor'Westers, defending Wesmen Classic champions, along with the York Yeomen and the Waterloo Warriors. Other events scheduled for Saturday are Dr. Bedford's tour of the University, and a pizza and beer gathering before the game in the Athletic Centre. Alumni reunions are special so join The University of Winnipeg Alumni for Homecoming 1990. For further information, call the Alumni Office at 786-9122.
